WILL A MAN ROB GOD?

Sutzopna...

- David Padfeild -

The Poor Widow

The story of the poor widow is an outstanding example of love, devotion and sacrifice. Her story is recorded in Mark 12:41-44: "Now Jesus sat opposite the treasury and saw how the people put money into the treasury. And many who were rich put in much. Then one poor widow came and threw in two mites, which make a quadrans. So He called His disciples to Him and said to them, 'Assuredly, I say to you that this poor widow has put in more than all those who have given to the treasury; for they all put in out of their abundance, but she out of her poverty put in all that she had, her whole livelihood.'"

I get nauseous when brethren try to tell me how much they are like this widow. Many congregations sing a hymn which says, "Living below in this old sinful world, hardly a comfort can afford..." I simply refuse to sing this song. I sincerely doubt that any of our readers can sing these words without lying. Most of us have automobiles, color TV's, VCR's and central air. Even the poor in our country live better than 90% of the rest of the world!

Have you ever wondered what would happen if God made people as poor as they claimed to be? I've had preachers tell me the contribution where they preached was because "the farmers had a bad year." I usually respond by saying that I have never met a farmer who had a good year! Many claim poverty, yet somehow some of these men own large motor-homes and are able to vacation in Florida. The problem is not just with farmers, many folks claim to be poor when the collection plate is passed.

Brethren In Macedonia

The first century brethren in Macedonia lived in poverty. Yet, somehow these brethren could send a "gift" to the saints in Judea. Paul explains it in 2 Corinthians 8:5, "And this they did, not as we had hoped, but first gave themselves to the Lord, and then to us by the will of God." It was no problem for these Christians to give what they could, for they had already "given themselves to the Lord."

When a man realizes that every good thing he possess comes from God, he will give generously, not out of obligation. Paul also exhorted these brethren to "prepare your bountiful gift beforehand, which you had previously promised, that it may be ready as a matter of generosity and not as a grudging obligation. But this I say: He who sows sparingly will also reap sparingly, and he who sows bountifully will also reap bountifully. So let each one give as he purposes in his heart, not grudgingly or of necessity; for God loves a cheerful giver" (2 Cor. 9:5-7).

Conclusion

Brethren, there is a part of your income that does not belong to you—it belongs to the Lord. Will a man rob God? He might in this life. He might give unto the Lord "that which costs him nothing." He might convince his brethren he is giving the "widows mite." He might convince those around him that he is living in poverty, but God knows. There will be a day of accounting. "Do not be deceived, God is not mocked; for whatever a man sows, that he will also reap" (Gal. 6:7) ☒☒☒
